Forecast For East of England
Issued by Met Office Exeter
at 1600 on Sunday 11 Apr 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Occasional showers overnight, and in the west and south tomorrow.

This Evening and Tonight:
Occasional showers overnight, wintry in places, but these clearing away east by Monday morning. Becoming frosty in places by morning, especially in the south and west. Minimum temperature -2 deg C (28 deg F).

Monday:
After a cold start, eastern and northern parts should see some sunny spells, but thicker cloud with some showery rain or sleetl spreading southeast through more western and southern areas. Maximum temperature 9 deg C (48 deg F).

Outlook for Tuesday to Thursday:
Mostly dry and settled with some bright or sunny spells, but also the risk of isolated showers developing. Chilly overnight with some frost and a few mist or fog patches.
